Podcast: Child Care Bar and Grill: <http://www.ccbagpodcast.com/>
*A slightly irreverent podcast I do with Jeff A. Johnson & Denita Dinger. We did 82 episodes last year, they're longer-format pods, but we do shorter “shots” for you too. My recorded **book reports** are here too. We gather together about 3 times a year to record episodes that get released at least once a week. We wear wigs. We talk about many of the issues facing our profession that don't get enough airtime. Sometimes we live-stream. Someone said our language was “salty” – but 60 countries are tuning in, so it must not be too bad. Not quite NSFW, but definitely for “adult listeners.” You'll love it!*

The overview for the 2014 BOOK CLUB is accessible via the NOTES section of the FB page, or via this link. Pretty much everything you need is in that NOTE, but email if you have specific questions!

I have come to the frightening conclusion. I am the decisive element in the classroom. It is my personal approach that creates the climate. It is my daily mood that makes the weather. As a teacher I possess tremendous power to make a child's life miserable or joyous. I can be a tool of torture or an instrument of inspiration. I can humiliate or humor, hurt or heal. In all situations it is my response that decides whether a crisis will be escalated or de-escalated... and a child humanized, or de-humanized. – Dr. Haim Ginott
